Subject: THE MOST IMPORTANT Question (2-Parts) for EVERY Leelanau County Commissioner Candidate

Hi LC-BOC & Admin:

I could not make it to the Regular LC-BOC Meeting tonight, but I am sending my public comment handout to you in hopes that you will all read it and post it online with tonight's meeting handouts.

I will be asking the attached question (on the attached 2-page handout) at the upcoming LWV-Leelanau Election Forums.

Sincerely,

Bill Wiesner / Elmwood Township

THE MOST IMPORTANT Question (2-Parts) for EVERY Leelanau County Commissioner Candidate:

(Requested question for the Leelanau County League of Women Voters Public Forums)

1. Do you believe that our Leelanau County Elections as they are now run can be guaranteed secure and verifiable?
2. If you held the ultimate authority on how elections across America were run, what would be your best recommended plan to insure secure and verifiable elections throughout all 3,143 counties in America, including our Leelanau County?

Note: Our Clerks and County Commissioners should have to prove that this information concerning election integrity is wrong, not the other way around.

BACKGROUND INFORMATION that each candidate should consider before answering:

1.

Report Filed Today, Monday, September 16, 2024, with the Office of Frank LaRose, Ohio Secretary of State Regarding the Cryptographic Algorithm Found in the Ohio State Board of Elections Official Voter Registration Database.

Who Placed a Cryptographic Algorithm of Intelligence Agency Complexity into the Ohio State Board of Election Voter Registration Database, and Why?

2. **Rasmussen Poll** from April 27 – May 2, 2023, Question:

"How likely is it that cheating affected the outcome of the 2020 presidential election?"

62% of all likely voters answered "Likely or Somewhat Likely"
