

Village of Empire - Village Council Documentation

Date: August 21, 2024	Type of Meeting: Regular Meeting
Meeting Date: August 27, 2024	
Sign Ordinance - Public Hearing	Requestor: Maggie Bacon

Overview:

The Planning Commission will submit a revised Sign Ordinance to the Village Council at the September work session. The revision will focus on the Village Council's comments from their July review of the ordinance and specifically discuss flags as temporary signs.

The Village Council and the public can provide input at the September 12th work session. Upon completion of that review and comment, the Village Council hopes to hold a public hearing on the Sign Ordinance on September 24, 2024.

Recommended Action:

A motion to hold a public hearing on the Sign Ordinance on September 24, 2024, is recommended to ensure adequate time for notice of the public hearing and to combine that public hearing with the water rate change.
