A Board of Determination is a 3-member panel of disinterested property owners. #### ***What is a Drainage District?***

A drainage district is the land area that benefits from the proposed drain. The drainage district makes up the watershed that would contribute water to the proposed drain. #### ***Why did I receive a notice?***

A petition from landowners was filed with the Leelanau County Drain Commissioner requesting for the locating, establishing and constructing of a new county drain. All property owners with lands in the Drainage District were sent a copy of the notice, as well as adjacent landowners to the Drainage District.

No, the Board of Determination decides necessity, but does not determine the scope or cost of the project. Further, the Board of Determination does not determine how much property owners and municipalities will be assessed.

#### ***Does the decision of the Board of Determination have to be unanimous?***

No, only a majority vote of the Board of Determination is required. Only the members of the Board of Determination vote. The attendees at the meeting do not vote, but instead provide testimony to the Board members to assist in their determination.
