

## KASSON TOWNSHIP CEMETERY RULES

### I. OWNERSHIP OF LOTS AND BURIAL SITES

A. Transfer of ownership of cemetery lots for any reason shall be recorded with the Township Clerk.

### II. LANDSCAPING

A. Walls, fences, or any other types of enclosures around graves or lots are prohibited.

B. A marker of good construction shall designate place of burial.

C. Base of markers and monuments shall be flush with the ground and extend six inches around upright stone.

D. Planting of trees, shrubs, and plants of a spreading nature are prohibited.

E. The lot shall be resurfaced with rich dirt and seeding by lot-owner after interment whenever possible.

### III. INTERNMENTS AND FUNERALS

A. All burials are to be recorded with the Township Clerk.

B. All casket burials shall be interned in non-perishable vaults of concrete or steel construction.

C. Internments may be restricted due to inclement weather.

D. A maximum of two cremation urns are allowed per grave site. Both burials are to be properly registered and marked.

### IV. General

A. The Township is in no way responsible for damage or loss to any lot including markers, monuments, urns, plantings or other decorations.

B. No mechanized snow removal equipment is allowed in the Cemetery and if winter burial is desired, snow removal shall be done by hand at expense of decedent's estate.

C. The Township will in no way be responsible for erroneous site information such as the location of unmarked graves. The Township will attempt to maintain the best records possible, but cannot be held liable for misinformation of any kind.

### V. FEES

A. Fee schedule shall be set by the Township Board.
