

Oct 3, 2024
meeting called to order at 9:36

Attendees: Joe DeFors, Russ Packard, Lois Bahle, Kama Ross, Peter Wolcott, Tom Van Pelt. Mickey Eder, Gwenne Allgaier...Courtney Hessel on maternity leave

9/5/24 Meeting minutes read. no corrections made
Joe DeFors spoke about the Solar Grant not being on the award list from the MPSC. No indication of reason for not receiving grant.

Commissioner Ross encouraged our remaining neutral and positive about this, Comm Allgaier mentioned that we could potentially get a second chance in round 2. Discussion followed.....one focus was how to announce.

Joe Defors.....discussion of his agenda item on 10/8/24 BoC Meeting. He will present a recap of year one of EFTF.....need to continue group. Our ask: continue EFTF for 3 years. Joe DeFors reviewed BoC presentation. - First Year Report. Group discussion on aspects of presentation.

Tom Van Pelt answered questions re Palisades: power, cost. Wolverine will receive all power from Palisades, no \$ increase anticipated, as high costs of building site initially are past.

Discussion of presentation of report, action suggested for motions to extend/continue task force.

Energy Efficiency Group: DTE Energy Efficiency grant discussed,

possibilities....EE group wants to take advantage of grant opportunity, EFTF group supported idea. Another energy info page in Sen Svcs in next edition.

Tribal grant process discussed.....need for an additional quote discussed, late addition possibility discussed for Tribal grants, need to get info for BoC General Mtg 10/8.

Peter Wolcott: update on Univ of Mich grant - still working on approval but faculty advisor needed. Still in process...

Wolverine received \$640 million for Palisades from Federal Govt...
Cherryland giving out rebates for EV chargers -

Meeting adjourned at 11:30

No public present, no public comment called.
