Project Name and Location  
Wastewater Feasibility Study  
11518 S LaCore St  
Empire, MI 49630

**Proposed Scope of Work**

Gosling Czubak Engineering Sciences, Inc. (GCES) is pleased to present to the Village of Empire (CLIENT) the following project understanding, schedule and fee for the referenced project name and location.

In 2017, Gosling Czubak Engineering Sciences, Inc. completed a wastewater feasibility study for the Village. The Village is now requesting an update to the study. GCES will provide an update to the estimate for each scenario within the 2017 study. The updates will be based upon the geographic areas defined in the 2017 study. The final cost will be provided as an amendment to the 2017 study and presented to the Village Council.

**Fee**

The total fee to update the study will be \$2,500

**Approval**

Gosling Czubak Engineering Sciences, Inc. (GCES) and Village of Empire (CLIENT) agree that GCES will perform the professional services described in the Proposed Scope of Work, subject to GCES's Terms and Conditions (see attached).
