Hi Michelle,

Could you please forward this email to our 7 commissioners showing my support for the solar grand application currently being reviewed and by them. Solar energy is a terrific way to keep our money local, give farmers a second income, and strengthen our energy independence and reduce our vulnerability to all the hazards long distance energy transmission.

My Address is 541 W. Traverse Lake Rd.
Maple City, MI 49664

Bob Sutherland,
President

My Favorite Cherry Republic Value Is:

PIE (GENEROSITY): We gratefully share the earth's abundance. Generosity is our foundation and is the value that most defines our special company.
