Subject: Letter to Commissioners

To the Clerk:

Please distribute this to all of the Commissioners.

Thank you .

To the Leelanau County Commissioners,

We support the grant proposal for the solar energy project on your agenda for Tuesday. We see it as not just a win for the County in saving money, but also as an example to local individuals and businesses by showing what can be done. And there is even a bonus for the Sheriff in getting his vehicles covered.

Please support this application.

Sincerely,

George and Jill Wellman
