Subject: BOC February 20, 2024 Agenda - Energy Futures Task Force.
Date: Tuesday, February 20, 2024 3:54:24 PM

Please share this email with the Board of Commissioners.

I am a veteran and along with other veterans in Leelanau County who fully support the Energy Futures Task Force application to the MPSC.

We encourage each Commissioner to also support this initiative and vote yes on Action Item 1., an investment in our future.

Thanks you for representing the best interests of all Leelanau County residents.
