# Who owns Dominion?

HUNTER

BIDEN

CCP companies that comprise the 49%:  
 Beijing Guoxiang Property Management Co., Ltd (33%); Guangdong Provincial Communication Group Co., Ltd (14.01%); and China Guodian Capital Holdings Ltd (1.99%).

PRIOR to 12-1-18, China owned 75.01%:  
 China Guodian Capital Holding LTD (12.018) and COFCO (14%).

COFCO is a "strategic partner" with BOHAI HARVEST - the company in which Hunter Biden owns 10% - and is CCP-controlled via SASAC.

COFCO is NOT formally linked in any way to Dominion Voting Systems, although it may be linked INFORMALLY, thru previous ownership of UBS-Sec LTD (some of whose principals also worked for UBS-Sec LLD NYC)

these two have been connected - Board member of NYC **Cheng Yixun** was ex-CEO of UBS-Sec Beijing

- 3 of 4 board members from UBS-Sec NYC were Chinese Nationals; one (Ye Xiang) was on board of UBS-Sec Beijing.
- 12 of 15 board members resigned a day before LinWood's tweets came out (early Dec 2020).
- As of summer 2021, NONE of the top brass at UBS-Se NYC have Chinese-sounding names.
