Subject: Leelanau Commissions' Meeting Action Items
Date: Monday, February 19, 2024 10:40:04 AM

Dear Ms Crocker;

I noted that the agenda of tomorrow's commissioner's meeting under "Action Items", you will be considering doing the necessary paperwork to apply for a grant to fund a "green energy" upgrade for our government center. I am pleased to see this & want to encourage the commissions to move forward on this.
