Empire Wastewater Task Force Meeting June 5th, 2024

Meeting convened at 6:30 PM, members present: Tom Rademacher, Paul Skinner, John Bruder, Bruce Taggart.

Absent: Bill Dickinson

Discussion on Wade Trim task #3 if it would meet the charge of requesting an economic study. Paul felt that the impact of redevelopment/development site analysis would meet the requirement. Tom commented that he thought the analysis should take in the Front St and M-22 corridor.

Maggie Bacon commented in regards to an economic study vs an economic redevelopment/development study. Maggie provided Paul with information regarding an economic study. Paul will provide Wade Trim with information to fine tune task #3. Maggie also mentioned that Renovare may be doing a redevelopment study for the sites Wade Trim proposed and this could be duplication of effort.

Paul thought that Wade Trim would have a final report ready within 90 days.

Next meeting, tentatively scheduled for Wednesday, June 26th, 3:00 PM, at the Glen Lake library.

Respectfully submitted,
Tom Rademacher
